Overview: Current country program initiated in 2011. Focus is on food security and agriculture initiatives in remote Turkana County. USADF currently manages a portfolio of **15 projects**, plus one Partner Cooperative Agreement. Total commitment for FY '13 is **\$1.5 million**.

Grantee	Duration	Value	Summary
Turkana Pastoralist Development Organization 2398-KEN	2011 - 2014	\$237,333	Cooperative Agreement (Livestock): Through this cooperative agreement, the Turkana Pastoralist Development Organization (TUPADO) will provide grants to four smaller, lower capacity, livestock marketing associations enabling them to build their capacity to manage business activities. Grant funds will be used to help groups improve marketing infrastructure, and acquire training and technical assistance to improve business management, financial management, and animal husbandry skills.
Turkana Pastoralist Development Organization 2391-KEN	2011 - 2014	\$206,030	Cooperative Agreement (Livestock): USADF is providing additional funding to TUPADO to provide technical support and monitoring to the four Livestock Marketing Associations (LMA) receiving grants from the organization.
District Livestock Marketing Council 2405-KEN	2011 - 2014	\$235,904	Food Marketing (Livestock): DMLC is a Community Based Organization (CBO) that seeks to increase the incomes of its more than 700 members through the implementation of sustainable development projects. This grant will build the capacity of two LMAs in Lodwar and Lokichar to produce and market livestock. Grant funds will be used to improve marketing infrastructure, provide for a revolving loan fund, and conduct training activities for group members in marketing and management.
Alemun Pastoralists Empowerment Initiative 2476-KEN	2011 - 2013	\$86,227	Food production (Poultry and Irrigated agriculture): APEI is a 100 member Community Based Organization (CBO) that focuses on increasing the incomes of its members through sustainable livelihoods projects. The USADF grant will build the capacity of the group to support members engaged in poultry production and vegetable gardening. Grant funds will be used to develop detailed business plans to improve two irrigation schemes and a poultry operation while building the management capacity of the group itself.
Napucho 2480-KEN	2011 - 2014	\$104,158	Food production (Poultry): Napucho is a Community Based Organization (CBO) that fights poverty among its 50 members by undertaking income-generating projects. The USADF project will focus on building the capacity of the group to scale up production of its poultry enterprise. Funding will be used to construct improved production facilities, purchase equipment, and undertake training and capacity building activities in the areas of financial management, governance, and environmental awareness.

Grantee	Duration	Value	Summary
Impressa Beach Management Unit 2554-KEN	2011 - 2014	\$172,737	Food production (Fish): Impressa is a Beach Management Unit (BMU) that organizes fish markets, works to improve sanitation practices along the beachfront, and manages the boats and fishing gear of its 230 members. The USADF grant will focus on building the capacity of Impressa to manage an expansion of its fishing enterprise by providing funds to help the group increase production and revenue. Grant funding will be used to purchase office equipment, improved fishing boats and gear, and to accredit the group's financial management practices.
Eliye Springs Beach Management Unit 2558-KEN	2011 - 2014	\$165,567	Food production (Fish): Eliye Springs is a Beach Management Unit (BMU) that organizes fish markets, works to improve sanitation practices along the beachfront, and manages boats and fishing gear of its 150 members. The USADF grant will focus on building the capacity of Eliye Springs to manage an expansion of its fishing enterprise while providing funds to help the group increase production and revenue. Grant funding will be used to purchase office equipment, improved fishing boats and equipment, and to accredit the group's financial management practices.
Longech Beach Management Unit 2559-KEN	2011 - 2014	\$173,760	Food production (Fish): Longech is a Beach Management Unit (BMU) that organizes fish markets, works to improve sanitation practices along the beachfront, and manages boats and fishing gear of its 218 members. The USADF grant will focus on building the capacity of Longech to manage an expansion of its fishing enterprise while providing funds to help the group increase production and revenue. Grant funding will be used to purchase office equipment, improved fishing boats and gear, and to accredit the group's financial management practices.
Lokichoggio Peace Organization (LOPEO) 2589-KEN	2012 - 2013	\$98,311	Microcredit: LOPEO provides small-enterprise development training and microfinance services to former cattle rustlers, allowing them to engage in alternative, more peaceful lifestyles. The USADF grant will enable LOPEO to expand its credit facility and strengthen its capacity in managing human resources and credit activities. Grant funding will be used to purchase office equipment, pay for technical assistance, and serve as capital for a revolving loan fund.
Natirae Beach Management Unit 2626-KEN	2012 - 2015	\$244,513	Food production (Fish): Natirae is a Beach Management Unit (BMU) that organizes fish markets, works to improve sanitation practices along the beachfront, and provides boats and fishing gear for 120 members. The USADF grant will focus on building the capacity of Natirae to manage an expansion of its fishing enterprise while providing funds to help the group increase production and revenue. Grant funding will be used to purchase office equipment, improved fishing boats and gear, and professionalize the group's financial management practices.
Kerio Beach Management Unit 2828-KEN	2012 - 2015	\$248,512	Food production (Fish): Kerio is a Beach Management Unit (BMU) that organizes fish markets, works to improve sanitation practices along the beachfront, and provides boats and fishing gear for 1,290 members in a remote area bordering Lake Turkana. The USADF grant will focus on building the capacity of Kerio to manage an expansion of its fishing enterprise while providing funds to help the group increase production and revenue. Grant funding will be used to purchase office equipment, improved fishing boats and gear, and professionalize the group's financial management practices.

Grantee	Duration	Value	Summary
Agency for Pastoralist Development & Napak Irrigation Scheme 2667-KEN	2012 - 2015	\$247,412	Food production (Irrigated agriculture): Agency for Pastoralist Development (APAD) is a Community Based Organization (CBO) that focuses on improving the lives of pastoralists. This project follows an irrigation planning grant previously awarded to APAD, and focuses on 227 farmer pastoralists at the Napak irrigation scheme. The project focuses on organizing Napak farmers into a registered Water Users Association and Cooperative, construction of irrigation infrastructure, and educating farmers on best practices for farming as a business.
Agency for Pastoralist Development & Napeikar Irrigation Scheme 2668-KEN	2012 - 2015	\$248,946	Food production (Irrigated agriculture): Agency for Pastoralist Development (APAD) is a Community Based Organization (CBO) that focuses on improving the lives of pastoralists. This project follows an irrigation planning grant previously awarded to APAD, and focuses on 574 farmer pastoralists at the Napeikar irrigation scheme. The project focuses on organizing Napeikar farmers into a registered Water Users Association and Cooperative, construction of irrigation infrastructure, and educating farmers on best practices for farming as a business.
Morulem Water Users Association 2742-KEN	2012 - 2015	\$240,803	Food production (Irrigated agriculture): Morulem is a registered Water Users Association (MWUA) of 3,000 members. This project follows an irrigation planning grant and will focus on organizing farmers into a Cooperative so as to better bulk and sell their produce. Grant funds will be used to rehabilitate the main canal and intake, and to equip MWUA with a truck to better access markets for their crops.
Lokwaliwa Rural Savings and Credit Cooperative (SACCO) Society Limited 2822-KEN	2013 - 2016	\$237,481	Food production (Irrigated agriculture): Lokwaliwa formerly operated as a youth association of 311 members, each of whom were independent farmers. Following an initial irrigation planning grant from ADF, the group decided to create and register a SACCO so as to better meet the savings and credit needs of its farmer members. The SACCO will additionally bulk and sell farmers' produce. Grant funds will be used to fund forty-five acres of sprinkler irrigation and five acres of drip irrigation, better enabling farmers to grow a combination of subsistence and cash crops.
